

TODDLER SONGS AND RHYMES

POST-PROGRAMME RESOURCES

In today's session, I have learnt

- ☐ about numbers
- ☐ 2 new words
- ☐ 3 new rhymes

Try this at home!

- While playing, have your child count the toys that they're using. If they're playing with blocks, Legos, dolls, etc. there are always things to be counted!
- Tell them to pull out all the red toys or blue toys and just count those. Identify a certain shape or items that they should find and count.
- This is a skill that you will be able to teach them by consistently counting and introducing numbers to them during everyday life.

One, two, three, four, five
Once I caught a fish alive
Six, seven, eight, nine, ten
Then I let it go again

Why did you let it go?
Because it bit my finger so
Which finger did it bite?
This little finger on my right

One, two, buckle my shoe.
Three, four, shut the door.
Five, six, pick up sticks.
