

TODDLER SONGS AND RHYMES

PRE-PROGRAMME RESOURCES

Theme of the Day **NUMBERS/COUNTING**

While the concept of numbers being associated with quantity can be difficult to grasp at first, children are quite good at learning these initial math skills. They just need a little bit of help, and fun to get them going.

New Words

Beehive

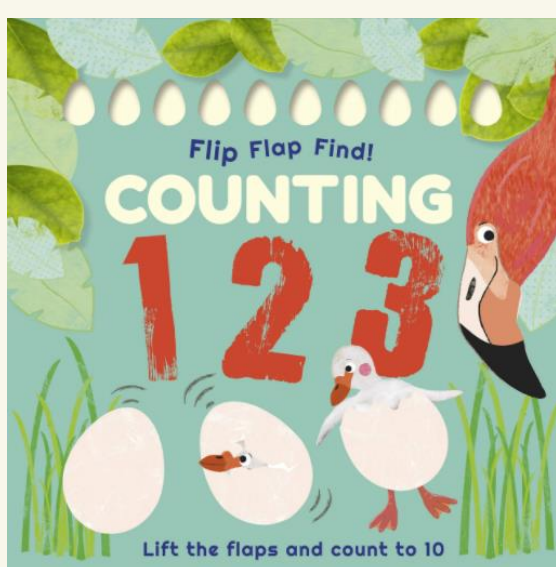

A beehive is home for bees.

Octopus

An octopus lives in the ocean and has 8 tentacles.
