Greetings Adventurer,

My name is Hutsy. My friends and I form Monsters United.

We love going to the public libraries around Singapore to read and to join in their activities for children.

I hail from Planet Gutsy where we love to read adventure fiction and non-fiction books.

In this Greatest Adventure booklet, I have put together some of my favourite activities and books for you to do and read. Remember to collect all our adventure booklets so we can always keep each other company!
