① These books will challenge you,

but it's
worth it.

And maybe you'll find
something here to
inspire stories of your own.

② He couldn't do it.
He wouldn't do it!
He was a hero.
HEROES

③ Remember that it's the sad times that help you appreciate when things are good.

④ But be wary of what you wish for.
WISHES have a habit of
* SURPRISING their makers.

But words

feelings can exist. Feelings can exist.

⑤ Thoughts do not always exist.
6 There's stress and then there's insanity – and this is insanity. Maybe I'm dreaming. Please let me be dreaming!
